WINGS OF WONDER: AN EPIC TALE OF LEARNING

ADMISSIONS OPEN

VISION

To cultivate a Supportive and Welcoming learning Environment that enables students to reach their full potential intellectually, emotionally and socially, that inspires a love for a lifelong learning. We empower our students with the knowledge, skill sets and values to become inspired individuals globally for tomorrow.

MISSION

We, at "Wings of Wonder", are focused on providing high-quality Education and Childcare in a safe, respectful Environment. Embracing Growth-Mindset is our foundational thought. We value each student's unique capabilities and prioritize Holistic development. We promote Conceptual understanding, Creativity and Ethical values through transformative place-based learning.

CURRICULUM

"Learning what to do with the things you learn and Comprehending why you learn them is what matters the most."

The aim of the school is to provide the essential skills that a child needs to cope with the changes in the world, while encouraging positive individual characteristics.

"Wings of Wonder" thus has designed a curriculum to make learning Enjoyable, Activity-based and Experimental, preparing every student for Global expectations.
